Hanover College provides equal opportunity
in education and employment.

Printed by Priority Press on recycled stock
using alcohol-free, soy-based inks.

Throughout its storied history, Hanover College's financial stability has been ensured by planned gifts.

Estate plans transform campus and define student experiences for generations. Regardless of size - whether a bequest in a will or the designation of Hanover as the beneficiary of a retirement account, life income gift or insurance policy - planned gifts secure the donor's legacy, even living forever as part of the College's endowment.

The 1827 Society recognizes the vision and benevolence of alumni and friends who shape campus life by including Hanover in their estate plans. Each year, members receive invitations to special donor activities and events, access to the College's financial-planning specialists, recognition in publications and an exclusive gift.

To explore your planned giving vision, create your legacy or learn more about The 1827 Society, contact Kevin Berry '90, associate vice president of individual philanthropy, at 812.866.6813 or berry@hanover.edu.

FROM THE PRESIDENT

Dear Hanover College Alumni and Friends,

It would be no exaggeration to say these past 18 months have been strange, challenging and surreal. Not in my lifetime, nor many of yours, have we experienced the confluence of recent events. Although we are all tired of hearing the word "COVID," I would be remiss not to discuss the impact the pandemic has had on the College. Shifting rapidly - and successfully - to remote instruction in the spring of 2020 took Herculean effort from our faculty, staff and students.

We spent the summer of 2020 preparing for a face-to-face return to fall term, which we were able to do with much success. Students returned excited to be back on campus, even though things were certainly a little different. Although many in-person events had to be canceled, we embraced technology as never before and offered numerous opportunities for students and alumni to engage with Hanover in creative ways. Commencement for the Class of 2021 occurred in person at Alumni Stadium and included a special Commencement for 2020 graduates, who missed out on their ceremony one year before.

Through it all, we have much to celebrate as a community. With resiliency, creativity and generosity, Hanover College employees and students rose to the occasion and answered the call to create a new, but familiar, normal. Acts of kindness, demonstrations of patience and words of encouragement were commonplace this past year and a half - I would daresay more commonplace than ever before.

You, our alumni and friends, have stood by Hanover College in ways that amazed us all. As this report shows, giving and alumni participation increased last year, even as many of you dealt with the effects of the pandemic on a personal level. In fact, 2020 was one of the biggest years of giving in school history!

As president, I am deeply grateful and humbled by the affection each of you has for Hanover College. We are poised to be in a strong position as the College approaches its bicentennial in 2027. I am excited and optimistic about our future - an attitude that is sustained by each of you.

Thank you,

Lake Lambert, Ph.D.
President

HANOVER AT A GLANCE

Costs

Tuition — \$39,400
Fees — \$850
Room — \$6,210
Board — \$6,330
Orientation Fee — \$350

Total Expenses	\$36,436,000

GIVING BY THE NUMBERS

Annual gifts and volunteer involvement from alumni and friends continue to be invaluable to our students’ success.

Private support allows the College to provide scholarships and financial assistance to students, attract and retain high quality faculty, and create experiences in and out of the classroom that contribute to holistic development and a robust campus environment.

\$6.3 million+ in total gifts to the College

Jace Lichtefeld '24

My name is Jace Lichtefeld and I am from Louisville, Ky. I am a psychology and secondary education double major with a minor in mathematics. I am a member of Psychology Club and Love Out Loud.

Thanks to donations from people like you, I was awarded the Benjamin Templeton Scholarship, which allowed me to attend Hanover and help make the world a better place.

Thank you!

Hinata Shono ’22

Hello, my name is Hinata Shono. I am from Tokyo, Japan. I am double majoring in business and international studies and minoring in economics. I am a member of Kappa Alpha Theta sorority. I am also president of International Club, a resident assistant and student ambassador.

I am so thankful for the scholarships that allowed me to have the opportunity to study abroad at Hanover College.

Sydney Schulok '22

My name is Sydney Schulok and I am from Cincinnati, Ohio. I am studying kinesiology and integrative physiology. I am president of the Student Philanthropy Committee, tutor in the Gladish Learning Center and student athletic trainer.

If it weren't for amazing people like you, I would not have received generous scholarships to attend "HC," I would not be living in the Stockton Townhomes next year and I would not work or have access to the resources at the Gladish Learning Center.

Thank you for all that you do to make my Hanover experience possible!

(d) denotes deceased member

Alex Tapia '22

My name is Alex Tapia, although everyone on campus calls me “Fish.” I am from Louisville, Ky. I am majoring in biochemistry and minoring in psychology. I am a member of Lambda Chi Alpha fraternity, as well as a member of Hanover’s men’s soccer team.

I’d like to thank our donors for all that you do! I wouldn’t be able to call Hanover my home without the scholarships I have received. Through your support, I am proudly able to be a Hanoverian!

Influence Counts

Do you know a student who would flourish at Hanover? Some of the College's best and brightest students have found their way to campus through recommendations from our impassioned alumni.

Your referral could also provide substantial financial benefits! All admitted students are considered for a renewable merit scholarship worth at least \$20,000. In addition, legacy students - including those whose parents, grandparents, siblings, aunts or uncles attend(ed) Hanover - automatically receive a \$2,000 renewable Legacy Scholarship.

To refer a student, or to start a conversation with the College's admission staff, visit

hanover.edu/refer
