*Describe your day on May 15, 2022.*

*Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you cook or eat anything special? Who did you spend time with? Was today a day of rest? a day for religion? a day to catch up on work?*

*We'd also like to hear about what a typical Sunday is/was like for you at Hanover. Tell us about how you usually spend/spent Sundays at Hanover -- at whatever length you'd like. We think future students will especially appreciate hearing the small details of everyday life.*

It was a beautiful sunny day, mid 80s and clear skies. We have had a cold spring, so the string of recent warm weather made it possible to get my garden in. I planted my herb garden, transplanted some plants that had wintered inside and prepared our yard for summer.

This is my contribution to the "One Day in May" project, which preserves the everyday experiences of Hanoverians on an ordinary spring day (in this case, May 15, 2022). I consent to its being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute it.
