Members of the college community,

I will greatly appreciate it if you will take time before details slip away to write down what you (and your family) were doing at 3:51 p.m. on April 3rd, what damage the tornado did to your property, any unusual incidents connected with the tornado and its aftermath you were involved in or observed, and any personal reactions to the tragedy. We believe that this material should form part of the historical record of this day which now joins July 4, 1837 (tornado) and December 19, 1941 (Classic Hall fire) as Hanover's third major disaster. I plan to use some of the material in an extended spread in THE HANOVERIAN and possibly as background for a somewhat more ambitious publishing project. Please check below the appropriate permission and then sign and date the sheet. You may, of course, attach other sheets of data if you wish. And do you mind dropping off your contribution to the information desk in the Ad. Bldg. or put it in the campus mail addressed to me? Sometime this week hopefully?

I SAT IN THE HUB WITH A CUP OF COFFEE AND WATCHED THE STRONG WINDS BLOW BY. AFTERWARDS, I WENT UPSTAIRS AND GOT ON MY BIKE BEFORE LOOKING UP AND SEEING THE DEVASTATION. I THEN WENT AS FAST AS POSSIBLE (OVER AND UNDER AND AROUND TREES) TO GET TO MY FAMILY WHICH WERE, AMAZINGLY, SAFE WHILE EVERYTHING ALL AROUND THE HOUSE WAS GONE.

This material is not to be used for publication in any form but only as historical record material to be housed in the college archives.

This material may be used for publication as long as my name or the names of my family are not used.

This material may be published without restriction.

Signed
