

HANOVER COLLEGE TRIANGLE

Vol X

Hanover, Indiana, October 15, 1917.

No. 1.

HANOVER'S CONTRIBUTION TO NATIONAL DEFENSE.

Many Are Already At The Front.

As in '61 Hanover contributed many to the national defense, so now in our great trial she has given many of her sons to uphold the national honor. Although we were unable to locate all the Hanover men now in actual service the list below contains the names of many of them:

George E. Amick, Somewhere in France, Ambulance Corps.

Captain Frank Perill, Camp Taylor, Field Artillery.

Lieutenant Gilbert Inman, Somewhere in France, Artillery.

Second Lieutenant Robert Millar, Fort Riley, Kansas, New National Army.

Robert Buttorf, Camp Taylor, Sergeant 335th Indiana, Infantry.

Russell Kehoe, Fort Benjamin Harrison, Second Officers' Reserve.

Frank Montgomery, Fort Benjamin Harrison, Second Officers' Reserve.

Second Lieutenant Couiter Montgomery, Indianapolis, Regular Army.

Roger Giles, On the Atlantic, Eli Lilly Ambulance Corps.

Floyd James, Camp Taylor, New National Army.

Second Lieutenant Fletcher Hufford, Camp Taylor, New National Army.

Jesse Van Antwerp, Camp Taylor, New National Army.

Dan G. Clapp, Camp Taylor, New National Army.

Albert Watts, Hattiesburg, Miss., Top Sergeant Co. I, Artillery.

Russell Hamilton, Fort Benjamin Harrison, Artillery.

Hallie Lawson, Hattiesburg, Miss., Artillery.

William Mace, Camp Taylor, New National Army.

H. J. Grossman, Fort S. H. Okla., 4th Aero Division.

Y. M.-Y. W. PICNIC A SUCCESS.

Hundred Present.

Saturday afternoon the annual Y. W. C. A.-Y. M. C. A. picnic was held in Happy Valley. Nearly seventy young men and young women enjoyed several hours of regular fun and a splendid grab-fest at six-thirty. The night air was cold and many of the picnickers were driven home early in the evening, but some thirty stayed until the finish at nine o'clock. This was the first of a series of parties that these two Christian organizations will stage this year, so that a more intimate relationship may be felt between the students of the college.

COLLEGE OPENS WITH LARGE ENROLLMENT.

Faculty Presents New Figures.

The fall term of the college year opened on Wednesday, 26th, with the ordinary events of the opening. A large freshmen class was enrolled, in fact, the largest ever enrolled in the history of the college.

The faculty sees several changes in faces. The chair made vacant by Professor T. I. Beck, of the language department, was filled by a real lady on the faculty. Miss Mary Terhune, Western, '16. The pleasing countenance and athletic figure of our Coach Rider was no longer to be seen. In spite of these things—be they for better or for worse—the students were glad to be able to see the return of so many old students. The three upper classes were slightly depleted by the war and call to service.

The class of '18 enrolled the largest senior class ever enrolled in the history of the college. There are twenty-nine enrolled in this class, the largest previous graduating senior class is twenty-six.

The freshmen class enrolled sixty men, bringing up the deficiency of the college up above last year's enrollment. President Millis has not officially announced the enrollment but it is some larger than last year.

Another new figure added is that of Dr. Ballard of the Garrison Bible chair. He is an addition without the loss of another and he certainly gives promise of being a most delightful friend of the student body.

PRESIDENTS'S RECEPTION

HELD ON SEPT. 28TH.

Everyone Out.

On Friday the 28th, the first social event of the college year was held on the lawn before Dr. Millis' home. It was the annual get-acquainted party at which the freshmen are given the glad hand by both faculty, upper classmen (and Sophomores). After the faculty had been introduced with their wives to the yearlings, all joined in that time worn but enjoyable game of "Double Supper."

It was nearly ten o'clock when the reception broke up and a happy lot of men and women left the campus. The plentiful distribution of punch and wafers had not a little to do with the satisfactory feeling that prevailed.

It is hoped that the party was not a failure in its purpose and that the class of '21 will now feel at home at old Hanover.

FOOTBALL PROSPECTS BRIGHT FOR A SUCCESSFUL SEASON.

Freshman Class Brings Big Men.

"General" Miles Codaoh.

The first open scrimmage of the present football season was held this afternoon on Wood's Field. Coan Miles lined the probable first squad up against the runner ups for positions. The scrimmage was hard and strenuous, some of the men showing splendid early season form. From one workout it is evident that the line, although new, is to be a strong one. The backfield, made up mostly of experienced men, is just a bit slow but heavy. Hollmeyer, a guard of last year, has been moved back to full, where he is playing a powerful game, and will be a tower of strength with a little more training. The makeup is not discernible yet because of the strong fight being put up by the thirty-five men now out.

The first attempt to get up the "pep" that is to help fight Rose Poly on October 13th, was held at the gym last night. Practically every man and woman in college was present for a good round of college yells, songs and speech making.

Warren E. Bull was elected for new yell leader and began his work by leading the crowd into a spontaneous outburst of real college yelling. The most demoralizing effect of the present season is the split up of the faculty as to the advisability of playing out the schedule. After a long summer of discussion, pro and con, the faculty voted in favor of playing it out. Several members though, are not satisfied with the matter and will not lend any moral support whatever. The following games are on the schedule for this year:

Rose Poly, October 13th, at Hanover.

Franklin at Franklin, November 3th.

Earlham at Richmond, October 27th.

Butler at Hanover, October 20th
Hanover versus De Pauw at Greencastle, pending.

Hanover versus Centre at Louisville, pending.

De Pauw and Hanover cancelled their early season game to be played on September 29th on account of a late opening at Hanover.

Charlie James is in business in Lexington.

Elmer E. Hawkins is teaching school in Frankfort.

ROSE POLY SWAMPS THE HOME TEAM IN FIRST GAME.

Green Line Unable To Stop Engineers.

Butler Next On Schedule.

Saturday afternoon on Wood's Field Rose Poly swamped Hanover 51-0. The Engineers outweighed the home team by twenty five pounds and had no difficulty in penetrating the green line which opposed them.

Paulus kicked for Hanover to open the game. Rose was dowered on her thirty yard line. Aftns making her downs twice thru the line she resorted to open work and was held. Rose punted to Huntley on Hanover's forty yard line. On the first play Paulus was stoped without gain through center. Manaugh and Huntley failed to gain and Paulus punted. The big charging machine from Terre Haute had struck its stride and in a few plays succeeded in scoring.

Huntley received Rose's kickoff and returned to middle field. A forward pass and an end run failed. Hanover punted on fourth down. On the first play Rose started around left end. In an attempt to tackle the runner Paulus was kicked in the chin and had to be taken out of the game. Hufford went in at half back and Manaugh played quarter.

The second quarter saw Rose march thru the locals until they had piled up 38 points.

In the third quarter Hanover played her best ball holding the big up staters scoreless. Huntley played a great game at full being the bulwark of defense. Miles stopped the drives thru center in great style and it was evident that Rose was trying to get him.

Two more touchdowns were scored in the final period and the game ended 51-0. Rose was weak in the goal kicking department.

Maloney of Notre Dame refereed a fast game.

The Hanover line-up included: Miles, center; Horn, right guard; Conklin, left guard; Shroder, right tackle; Broadmell, left tackle; R. McNulty, right end; W. McNulty,

Entered as second class matter May 21, 1908 at Post Office at Hanover, Indiana, under the Act of March 3, 1879.

Welcome!

The Triangle welcomes the old and new students back to Hanover. We wish all of them a most prosperous college year and sincerely hope that in face of the prevailing critical situation of our country, every student will take advantage of his wonderful opportunity. The three upper classes have shown their ability and will prove tried warriors. It is up to the class of '21 to bring up the vanguard and keep the thing going. It takes time to get into the harness but after awhile they will resolve themselves into a natural order. Get behind every movement in college. You cannot go wrong. Every organization needs you to help push things along. There is the Y. M. and Y. W.—get in on the every student a member program. There is the football team, get out and play, yell or sing, anything so you help the Husky Hoosiers fight for the glory of Old Hanover.

The dramatic club, college orchestra and Glee club wants you if you want them bad enough. There are honors for all. You get all you pay and strive for. Put something in before you draw your pay.

The Press club wants new members and they are going to be chosen purely on competitive basis. Try for a place, it is worth your while. Then, subscribe for your college paper. The finances of the paper call for more student subscribers. Send your paper home to your homefolks, it means more than a personal letter because it represents the true spirit and purpose of this college.

Get on and let's "go over the top."

Prussianism

or

Democracy?

The present war being fought for the most loved ideal in the world—

that ideal of the democracy—gives rise to an aspiration for such an ideal in American colleges. If not on every college campus, why not on Hanover's campus? Every true American cherishes the thought that he belongs to a government that upholds the equality of man. It is born into him, it is instilled into him by the rocking of the cradle, he feels it in his free public school days and he realizes it when he becomes a voting citizen of our land.

We are all true Americans. We would not be a citizen of another country. We cherish the ideal of that ingrained democracy. But, why can't we apply some of it to the campus of Hanover College? The feeling of the equality of students does not prevail here today. On every side can be seen groups of students with their heads together tearing down the true purposes of college fellowship.

It is only a question. Are we going to be like the barbarian hordes and adopt the ideal of Prussianism on our campus? Are we going to be a seeker of "Kultur" or are we going to adopt the ideal of our free government, that of Democracy? Are we going to be seekers for good old American "Common Sense"? It is for you to decide, you, each and every student of Hanover college is called upon to lay aside petty purposes and selfish ambitions and take up the garment of common fellowship. What are you going to do?

Important Things to Remember

About Hanover College

Co-educational.

Stands for distinctively Christian Education.

Graduates of Commissioned High Schools admitted to Freshman class without examination.

Curriculum provides for liberal culture and at the same time gives the foundational training for Law, Medicine, Engineering, Teaching Journalism and Theology.

Departments of instruction: Philosophy, Mathematics, Chemistry Biology, Geology, Astronomy, Physics, English, Latin, Greek, French, German, Spanish, Public Speaking, Education, Physical Culture, History, Political Science.

Conservatory of Music.

Pre-Medical and Pre-Engineering Courses.

A Scholarly faculty trained to teach.

The College is fully and modernly equipped in every particular. Student life on a high plane.

The College is free from distracting influences.

Cost \$175 to \$225 per year.

Catalogues may be secured of THE PRESIDENT.

Presbyterian Theological

Seminary

LOUISVILLE, KENTUCKY

THIS institution offers the very best advantage to students for the ministry. Every professor has had successful experience in the pulpit, pastoral service, and the professor's chair. Courses of study broad and thorough, covering three years, and leading to degree of B. D. Special mention may be made of fine courses in English Bible, Sunday School, Missions, Public Speaking, Vocal Music and practical work in general. Excellent library facilities. Buildings new and beautiful with comfortable dormitories and home life for the students. Expenses moderate.

For information write the President, The REV. CHARLES R. HEMPHILL

ACHIEVEMENT

Twenty-five years ago the General Electric Company was founded. Since then, electricity has sent its thrill through the whole structure of life. Eager to turn wheels, to lift and carry, to banish dark, to gather heat, to hurl voices and thoughts across space, to give the world new tools for its work — electricity has bent to man's will. Throughout this period the General Electric Company has held the great responsibilities and high ideals of leadership.

It has set free the spirit of research. It has given tangible form to invention, in apparatus of infinite precision and gigantic power. And it has gone forth, co-operating with every industry, to command this unseen force and fetch it far to serve all people. By the achievements which this company has already recorded may best be judged the greater ends its future shall attain, the deeper mysteries it yet shall solve in electrifying more and more of the world's work.

GENERAL ELECTRIC COMPANY

37 FRESHMEN VS.

10 SOPHOMORES.

Despite the odds of 37 to 10 the peppy Sophomores tackled the manifold Freshmen Friday afternoon for the first big fight Hanover has seen in many moons.

Several of the second year men were possessed of the notion that the yearlings were going to pull their Fresh Party that afternoon so calmly proceed to snare the unsuspecting youngsters into their doom. After four of the boys had been safely lodged in Crowe ravine the Sophs, five strong, started for more blood. Four of their classmates saw fit to do other than fight at this early hour. In the meanwhile the four prisoners succeeded in breaking loose through the ingenious hand of Schmitt. Cruft, the Soph guard,

was duly tied in the old cheese factory.

When the other five men returned to the ravine with Harrison, their latest prisoner, they were chagrined to find their prey fled. By this time the entire Freshman class had been put hep and started after the six Sophs. Cruft, who likewise had escaped, and McNulty fled to the Phi Gam house and locked themselves in. Huntley, Paulus, Voris and Hollmeyer were lucky enough to meet Josie Nubert in the lower road and succeeded in getting away to Madison before the Freshmen reached them.

Cruft and McNulty put up a game fight at the house for several hours while the other four men were planning on how to get back from Madison.

In the meanwhile Orner and Rogers were made prisoners by the Freshmen. They had heretofore been out of the fight but the 21ers forced them into it so the Sophs had an army of eight at the end.

When the four fellows who had

gone to Madison, returned the Freshmen stormed the Phi Gam house, which had become the Soph headquarters, and took their foes prisoners. But this victory brought them nothing since it seemed that they were unable to decide upon any definite line of action and finally released the men.

The fight continued during the night but the supposed victorious Freshies were on the defense several of them so much so that they made their dates go back to the dorm, in the escort of a Senior while they remained in safe seclusion.

The entire fight was staged in a clean, open fashion, all dirty tactics were refrained from, and both classes took the tides of battle in a cheerful manner. It is hoped that in any similar struggles which may occur within the next few weeks, a like spirit will manifest itself.

The Soph hunch that the party was to be pulled Friday was a false one but they're still at the game. So also the Freshmen declare that no second year men will interfere with their big time.

Hanover's Pride.

The Freshman Class of 1921.

Realizing that a good start begets a successful finish, the Freshman class of '21 assembled in Donnell Chapel Tuesday morning, October 2nd, to organize their forces and select the necessary leaders for the year's activities.

Imbued with the nectar of distinctive superiority and overflowing with burning purpose to gain the coveted heights of scholastic eminence, they boomed forth with confident hearts and fired the initial gun of their 1917-18 "drive" against the forces of ignorance.

Composing the largest Freshman class in Hanover's history, and exalted by "Prexy" Mifflis as the "best looking, most impressive" body of students that ever entered the college gates, the celebrated aggregation of over fifty "strong" rocked the classic building from foundation to roof with their hair-raising battle-shout announcing to the world that the great campaign was on.

As the yell "heard 'round the world" echoed and re-echoed thru the sacred corridors of the college building, sophisticated sophomores, jumbling juniors and serious seniors quaked in their shoes, as they tried to realize what the future had in store for them.

But amid this thunder of enthusiastic acclaim the Freshman "machine" was rapidly assuming the characteristics of an efficient organization. Bound together by the bonds of harmony of purpose and sincerity of endeavor, and fired with the enthusiasm of high ideals, the Freshman unanimously elected as their president, Charles W. Horn, of Chicago, Illinois, recently of the Moody Bible Institute of the same city. Mr. Francis G. Hufford, of Patriot, Indiana, a graduate of the Patriot high school, was elected vice-president, and Miss Shirley Lamson, of Vevay, Indiana, an alumnus of the Vevay high school, was unanimously elected secretary and treasurer.

The first gun has been fired; the officers are at their posts; the entire class is all set and eager for the fray; the battery of mental artillery is organized and placed in battle-array, and with the hearty shouts of enthusiastic admirers cheering them on, the Freshman class of '21 flings its challenge to the world. And with hearts steel-ed to their purpose, minds fixed on their goal and souls fired with devotion to their cause, they storm the bulwarks of ignorance and blind satisfaction in their advance to ultimate triumph on the heights of successful achievement and honorable preeminence.

By a Freshman.

C. W. H.

The Phi Delt's held an informal party at the home of Professor Montgomery Friday night and it developed that the Phi Delt Freshmen considered seriously the professor's invitation to remain all night.

Personals.

Ira S. Allison is doing Y. M. C. A. work at Camp Taylor.

Scott Sutherland is working for the Indiana Steel company at Gary.

Martha Terrill is in the Methodist hospital at Indianapolis taking nurse's training course.

Edyth Weber is teaching school in Jeffersonville.

Nina Maude Boyer is teaching school in Charlestown.

Rebecca Dixon is in business college in Seymour.

Van Francisco and Alice Millar were married this summer and have forsaken the realm of learning to live on a farm near Wirt.

Carey McDonald and Vivia Gaddy were married this summer.

Ray E. Heimbaugh is working in the offices of a mining concern at Hauden, Ariz.

W. C. Culley is working in the laboratories of the Illinois Steel company, South Chicago.

Lewis P. Brett is working for the Service Motor Truck company, at Wabash, Ind.

Julian Culbertson is doing graduate work in chemistry at Indiana university.

Class Officers.

SENIORS.

President, Paul Carson; vice-president, Hursel Manaugh; secretary-treasurer, Mary K. Downing.

JUNIORS.

President, Ivan Miles; vice-president, Sadie Gilchrist; secretary-treasurer, Elsie Hufford.

SOPHOMORES.

President, Carter Rogers; vice-president, Justus R. Huntley; secretary-treasurer, Hortense Muster.
