Scope and Content Note

Photographs of the faculty and staff of Hanover College. Images of staff and faculty may be available in other collections. Please contact the archives for more information.

Historical Information

Located on 650 acres overlooking the Ohio River in southeastern Indiana, Hanover College is a premier, nationally ranked liberal arts institution that has core strengths in the sciences, education and business. Hanover is a challenging and supportive community whose members take responsibility for lifelong inquiry, transformative learning and meaningful service. It is dedicated to creating a distinctive intellectual community within which students are challenged and nurtured to take responsibility for their learning and their

lives and to develop their unique abilities to their highest levels. Founded in 1827, Hanover is the oldest private, four-year college in Indiana.

Organization
