**Describe your day today -- did you go out? what did you do for fun? did you cook or eat anything special? did you do work or chores? who did you spend time with?**

Today I went for a walk around my neighborhood, made a fruit smoothie, and sent letters to some of my friends. Even small things I do like today help me feel productive. The letters helped me reach out to the friends I'm missing to let them know I am thinking of them, in a special way!

**What do you remember best about being on campus in May of other years?**

Wiffleball and burgers!! Fiji Island!
