Scope and Content Note

Submissions sent to the Hanover College Archives by students, faculty, staff, alumni, and friends of Hanover College for the One Day in May Project, 2020-2023.

Historical Information

This project was proposed and managed by Dr. Sarah Vosmeier, Professor of History at Hanover College. It is based on a project created by the United Kingdom's Mass Observation Archive. Participants are invited to submit "day diaries" on a specific day, describing the specifics of everyday life. Hanover College asked participants to describe a day during May Term classes and to compare it to that same day in years past.
