PRESIDENT

Describe your day on May 15, 2023.

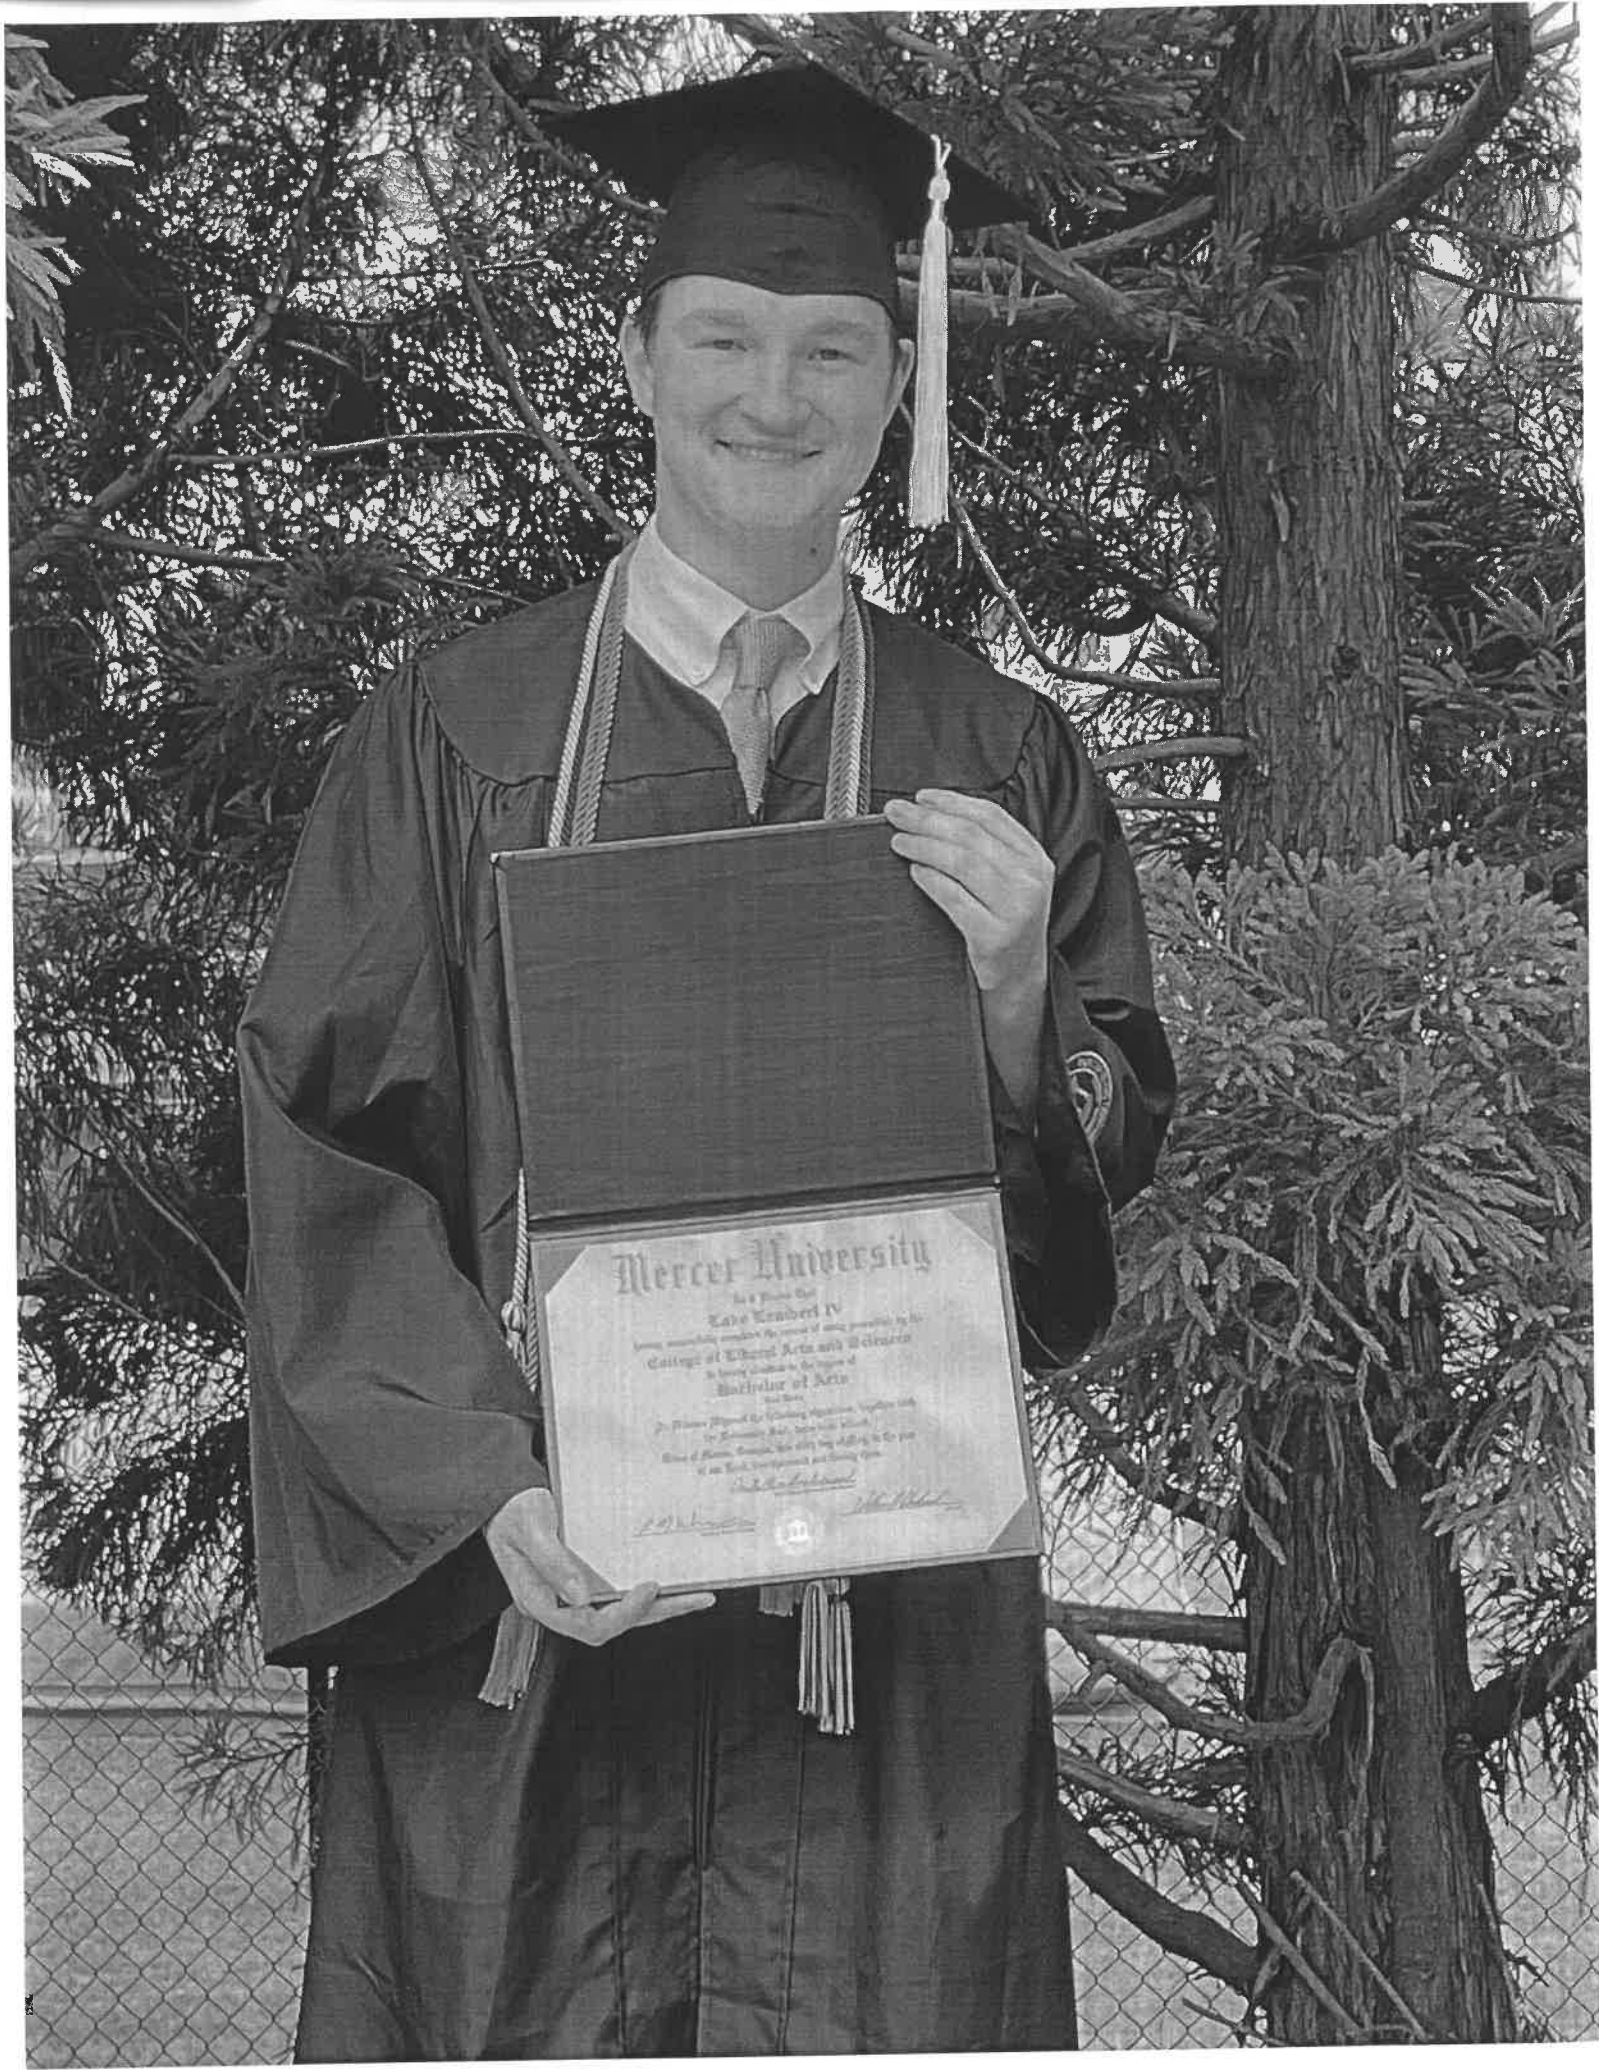

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Who did you spend time with? Did you cook or eat anything special? Did you work or do chores?

Kelly and I were off campus on May 15, attending the college graduation of our son, Lake Lambert IV (whom we call "Zack"). Zack started high school as a 9th grader at Southwestern when we moved to Hanover. He decided to go back to college at Mercer University where I had been Dean of the College of Liberal Arts.

He finished Mercer with a BA, a major in history, and minors in education and African studies. He was also in the Great Books program, and he studied abroad in England. He will be staying in Macon and working for Visit Macon.

I consent to my submissions for the "One Day in May" project being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute them.
