**Describe your day today -- did you go out? what did you do for fun? did you cook or eat anything special? did you do work or chores? who did you spend time with?**

I am now almost 82 years old, and I have written my thoughts from quarantine. I plan to upload them to the Archives website. I live in Florida, and I plan to stay on lockdown even if others are opening up and going out. This is a deadly and contagious disease, much like polio in my youth.

**What do you remember best about being on campus in May of other years?**

Amazingly enough I can still remember May at Hanover. It was usually cool after a final April snowstorm. It was simply beautiful there in May. The Cabin was our hangout. We also went into town to Frisch's Big Boy for their strawberry pie.
