Describe your day on May 15, 2022.

Tell us whatever you'd like at whatever length you'd like. We think future students will especially appreciate hearing about concrete details -- What can you see and hear from where you are right now? What did you do for fun today? Did you cook or eat anything special? Who did you spend time with? Was today a day of rest? a day for religion? a day to catch up on work?

I started off the morning with Founder's day for Alpha Delta Pi. It was a great time celebrating with my sisters and getting to know a few alumnae. Then I went to a Renaissance Festival with a couple of friends that was happening in Charlestown. I had a wonderful time walking around and just got slightly sunburnt. Ended the day with a movie night with my friend who graduated from Hanover College.

We'd also like to hear about what a typical Sunday is/was like for you at Hanover. Tell us about how you usually spend/spent Sundays at Hanover – at whatever length you'd like. We think future students will especially appreciate hearing the small details of everyday life.

My Sundays are usually spent doing homework or getting coffee with friends. I also play dnd almost every weekend.

This is my contribution to the "One Day in May" project, which preserves the everyday experiences of Hanoverians on an ordinary spring day (in this case, May 15, 2022). I consent to its being made available to library users, and I grant Hanover College a nonexclusive, perpetual, royalty free license to use, duplicate and distribute it.
