The Dramatic Club is the organization which presents each year for the entertainment of the student body two large plays, one each semester, and several one-act plays the first semester, offered by the freshman members. Membership is restricted to thirty and new candidates must pass a competitive try-out. The local Y. M. C. A. has the distinction of being the first college organization of its type in the world, having been founded in 1883. Its purpose is to stimulate interest in church work. The "Y" holds joint meetings with the Y. W. C. A. each Sunday evening for devotional services, and meets every Wednesday evening for discussion of campus and world problems. Dan Lewis is president and Dr. Martin is faculty advisor. Membership is open to all students.

Y. W. C. A.

Since its founding in 1885 the Y. W. C. A. has been prominent in promoting worthwhile affairs on the campus. In the fall a reception for the freshmen was sponsored, and during the year get together parties were held. As one of the main features of the organization's work the Y. W. has sole charge of putting on the annual May Day Festival. The past year the Y. M. and Y. W. redecorated the Y. building. Meetings were held each Sunday evening. Membership is open to any woman student of the college.

Bill Faulds

Cheer Leaders

The cheer leaders are chosen by a system of tryouts. Those who show the most ability are elected. A good cheer section plays a big part toward winning a hard game. These three boys have done their parts in great style and deserve credit for their work. A varsity sweater was given Lewis this year for his work.

The Panthers

FRONT ROW—Nabb, Gansert, Gwin, Millican, Lewis, Guyer, Anderson, Rockwell, Hillis, Staples, Man-augh, McNulty, Smith, Wallin.

MIDDLE ROW—Sorrell, Thayer, Meziakas, Hill, Haines, Meese, Hoessle, Spann, Jacobs, Taggart, Couch, Winney, Shelby, Behmer.

BACK ROW—Whitsitt, Razavich, Fox, Stouffeur, Coach C. V. Money, Cameron, Menozi, Francke, Fish, Ellis.

The Panthers

C. V., the Coach, worked under a great handicap this year. The mainstays of last years line and several of the backfield men were not in school this year. Starting the season with only five veterans, Rockwell at center, Wallin and Nabb, ends; Taggart, guard; and Captain Anderson at quarterback, C. V. soon developed Hillis for the other guard, Millican and Lewis, tackles, Gansert and Meese, halfbacks, and Haines for the fullback job. Joe Maziekas, a Freshman, also saw action in the backfield. With Razavich eligible next year and several other good prospects for varsity material, the Panthers should have one of the strongest teams of any of the smaller colleges next year.

C. V. MONEY

Coach

This year was C. V.'s fourth year at Hanover. The Freshmen that C. V. started with four years ago, graduate this year. The sportsmanship and all around ability that these boys displayed, illustrate the superior moral character and teachings of our Coach.

FRANK RAZAVICH

Frank was ineligible this year but coached one of the best second teams that Hanover has had in several years. We expect Frank to be a great assistance in Varsity competition next year.

RALPH ANDERSON

Captain and Quarter Back

Clown was very small in stature but was very smart in his open field running. Clown also displayed good ability in calling signals this year and we feel that his position will be hard to fill next year.

RAY MANAUGH

Tackle

Ray came into his own this year after two seasons hard work. With a grim determination behind a solid physique, Ray proved to be a tower of strength in the line this year. Ray is a Junior this year.

RAY STAPLES

Guard

Although this was Demons first year on the Squad, he played his position in fine style. Ray should develop into a real star next year.

WILLIAM WALLIN

End

During Swede's Sophomore year he decided to come out and give the boys a break. Since that time his work at end has made him one of the outstanding players on the team. Swede graduates this year.

PAUL ROCKWELL

Center

This was Rocky's fourth year of real football for the Panthers. His accurate passes, efficient blocking, and good tackles, made him a very valuable man to the team. We lose another good player through his graduation this year.

JOHN TAGGART

Fullback

Taggart started the season at tackle but was shifted to the backfield after a few games. His long suits were blocking, tackling, and backing up the line. John is a Junior.

DELBERT MILLICAN

Guard and Tackle

Del, another Junior, played his first year season on the varsity in fine style. His hard charging and tackling upset the plans of many of our opponents this year. Del has one more season for varsity football.

BRUCE BEHMER

Halfback

Bruce was the smallest man on the team and is another proof for the statement "That good things can come in small bundles." Bruce was always a fast and elusive runner and a good pass receiver. This was his second year on the team.

EDWARD SMITH

End

Eddie was a utility end and was used in most of the games. Ed is only a Freshman. He should develop into an allstate end by the time he is a Senior.

EDWARD GANSERT

Tackle

Ed, the largest man on the team, was a tower of strength on the forward wall. Ed was very fast and therefore was a very good man. He will not be back next year.

JOHN GWIN

Tackle

John is a big boy and can play a big game. He is only a Freshman and with three more years of experience should be one of the best players that Hanover has ever turned out.

ELMER MEESE

Halfback

Otto, a Sophomore, played his first year at half. His passing and running kept the opponents guessing all of the game. He could always make a few yards when they were most needed.

JOE MAZIEKAS

Quarter and Halfback

Joe was another Freshman who made the Varsity. His short compact body and his speed enabled him to gain yards through the opponent's line and to skillfully elude would be tacklers. Joe came from a town where they really play football and it looks like he will be a whizz here for the next three years.

HOWARD HILLIS

Guard

This was Howard's first year on the squad but he forged ahead by his willingness and ability to learn. Howard is only a Sophomore this year.

DALE GUYER

Center and Guard

Not above the average size, but Guyer always plays a big mans game. Most of Dale's tackles were made in the opponents backfield. Two more seasons as regular center will give us all state material.

OSCAR NABB

End

Consistency is only a synonym for Oss on the Gridiron. Oss received the award that was given to the most valuable man on the team this year. His ability to stop the opponents in their tracks, and to go down under long punts makes us realize his value to the team. Oss graduates this year.

LAWRENCE HAINES

Halfback

Lary was the tripple threat man on the team this year. His educated toe, his passes, and his runs were always helping the Panthers gain ground.

DANIEL LEWIS

Guard and Tackle

After working at nearly all positions, Dan found the right place this year and played it in fine shape. Dan has one more year.

DAN McNULTY

Forward

Dan was the Panthers best man under the hoop. His follow in shots and uncanny shooting from the field gave him the honor of being the best net sniper on the squad. Pike has two more years for basketball.

WILLIAM WALLIN

Forward

Swede was another four letter man this year, and ranked fifth in the state in scoring. He was a good passer, dribbler, and could hit the hoop when the Panthers needed some points. The team will miss Swede next year.

PAUL NICELY

Guard

Paul was the smallest man on the team, but made up for this with speed and willingness to mix with the largest of them. It is unfortunate that Paul was a Senior and will not be back next year.

MALCOLM LEMEN

Guard

Red, a Sophomore, played his first year at guard. He was very fast and was good on the offense. Red was the best foul shooter on the team. He has two more years to play.

PAUL ROCKWELL

*Captain
Forward and Center*

Rocky played at center and forward this year. His accurate net sniping and his accurate passes together with extreme height gave him all the things necessary for a great star. Rocky will be missed by the Panthers next year.

OSCAR NABB

Guard

Oss was the man who could settle the team at any time by his consistent playing. They never came too big for Oss to guard. He was also the long shot artist of the team. This four letter man will be missed next year.

TOM JACKSON

Forward

Tom was a fast man and was always willing to fight. He became ineligible the second semester and had to quit the team. We hope to have the services of Tom for the next three years.

JOHN GWIN

Guard and Center

John was a Freshman and didn't hit his stride until the season was well under way. But when he finally got a chance to play guard he did it in excellent style. John is only a Freshman and we believe with three more years of experience he should be material for allstate team.

ROBERT REED

Guard

Bob started the season late but did some very good work while he was out. Bob was just a Freshman this year.

JOE MAZIEKAS

Guard

Joie was a Freshman this year but put up a good battle for a position on the team. Joe has three more years for varsity work.

ELMER MEESE

Guard

Otto, a Sophomore, played his first year on the squad this year. He was a good dependable backguard.

FRANK RAZAVICH

Forward

Frank became eligible the second semester and played a fast game at forward. Frank can hit the hoop from any angle and can get the points when they are most needed. He has two more years of basketball.

DAVID SPANN
Center

Dave played a good game at center—his extreme height gave him a decided advantage over his opponents. He became ineligible at the end of the first semester. He has three more years for varsity work.

JOHN TAGGART
Guard

Taggart, a Junior, made the grade this year at guard. He was always out to win. John has one more year.

HOWARD STOUFFER
Guard

Howard, a Freshman, was one of the hardest workers on the squad. He did not play in enough games to win his letter, but he has three more year to show his ability.

EDWARD SMITH
Guard

Eddie was another Freshman who showed a good brand of ball. He played a consistent game at floor guard and got to prove his worth in several games. In his next three years he should be an outstanding man to the Panthers.

Front Row: C. V. Money, Coach, Paul Nicely, John Taggartt, Oscar Nabb, Paul Rockwell, William Wallin, Dan McNulty, Mahlon Lemen, Bussy Kysar, Senior Manager.
Second Row: Robert Reed, Howard Stouffer, Tom Jackson, Dave Spann, John Gwin, Ed Smith, Elmer Meese, Frank Razavich, and Joe Maziekas.

Basketball Team

The team started the season with a whizz by winning the first three games. The team then hit a slump and lost several games before they could regain their stride. Ineligibility of several of the new men dealt a severe blow to the team at the end of the first semester. Then the Danville game seemed to put some of the old fight back into the boys and they finished the season strong by winning the last four games. Wallin ranked high in the state in individual scoring. The team will miss the services of Rocky, Swede, Oss and Nicely next year, but there is plenty of material left to give Hanover a real basketball team.

INTRAMURAL

William Fuller, Bruce Behmer, James Green, Dale Guyer, Paul Rockwell, Paul Dill, coach, Lyman Thayer, Graham Miller, Bussey Kaiser, and Robert Cooper.

Inter-Mural Track Winners

In the spring track meet held each year under the Inter-Mural department, the Phi Delt aggregation captured first place with the Phi Gams following immediately behind. Much of the success for the Phi Delt victory goes to Rockwell and Fuller, individual stars and high point scorers of the meet.

Mahlon Lemen, Zaring Hudson, Ray Staples, Del Millican, Kenneth Telle, Oscar Naab, Ray Garriott, Russell Butts, and James Millican.

Inter-Mural Recreation Ball Winners

The Theta Nus smothered all opposition last spring to win the Inter-Mural recreation ball tourney to finish the season with an unbroken string of victories. Success for their unusual victory is due to three factors: first, the sensational heavy batting of their nine; second, the superb defense of the outfield; and third, the sensational pitching of Jim Millican, southpaw.

Gates, Malone, Martin, Willis, Evans, Arbuckle.

Intra-Mural Volleyball

The Volley Ball tourney was a royal battle from the first game through to the last one when the unorganized beat the Betas to gain first honors. The unorganized boys won because of their steadiness and their ability to serve with accuracy. Arbuckle and Martin were probably outstanding for the winners.

Managh, Barbour, Guyer, Hill, Cooperider, Herzer, Anderson.

Intra-Mural Basketball

The Phi Delts upheld their reputation of being tough to beat in athletics and won the Basket race with ease. The same thing happened in the Inter-Fraternity Tournament. The Betas were again their strongest foes but the Phi Delt boys won 26 to 24 and thus won some points toward winning the cup which is given the organization winning the most points. The Phi Delts look like sure winners this year.

Fuller, Herzer, Hill, Cooperider, Jackson, Spann, Stouffeur, Barbour, Razavich, Maziekas, Middleton.

Inter-Fraternity Basketball

The Phi Delt's were very good in most of the inter-mural sports this year and along with victories in some of the other sports they easily captured the basketball trophy. They conquered the Betas in the first game which was a very poor game the first half but the Betas came back strong the second and made a more interesting game. The Phi Delt's then ran rough shod over the Theta Kapp's who had beaten the Phi Gams, and thus won the inter-fraternity trophy. Razavich and Jackson were outstanding for the winners.

MISS VIOLA MITCHELL
Physical Education, Director for Women.

Girls' Varsity Basketball

Basketball is the favorite of winter sports. Almost every girl who is interested in athletics was out for the various teams. In the inter-class tournament, the Upperclassmen team was victorious. The Alpha Deltis won the silver trophy in the intra-mural tournament. There is always much excitement over the contest for this cup and the games are always full of pep. The Phi Mus won it last year and the Alpha Deltis the year before. There was also a color team round robin tournament which created much interest.

Girls' Varsity Volleyball

Volleyball started at the same time as soccer and ended the last of November. This was the first year we were offered this sport. Under the direction of Miss Mitchell several of the girls became very skilled players and so the Varsity which was chosen was a good one. In fact, volleyball was very popular and will probably become a greater favorite next fall. In the tournaments the Phi Mus won the intra-mural and the Sophomores the inter-class.

Girls' Varsity Soccer Squad

Soccer is the most popular of outdoor sports and is played during October and November. Almost every girl in school was out for some team this year.

There were three tournaments and the first was the color team tournament. Next came the interclass tournament in which the Freshmen and Upperclassmen tied for first place. The last one was the intra-mural tournament in which the Unorganized were the winners.

In the spring we play speed-ball, which is much like soccer and consequently is very much favored.

Woman's Athletic Association

Coed sports at Hanover are conducted under the joint supervision of the Department of Physical Education for Women and the Women's Athletic Association. Most universities and colleges conduct their athletics on the same plan if they are members of the Athletic Conference of American College Women, a national organization to which most W. A. A. groups belong. National and Sectional conferences are held for the purpose of discussing coed sports.

W. A. A. of Hanover usually has a membership of approximately fifty people and is one of the most wide-awake organizations on the campus. Under a national ruling, intercollegiate competition is forbidden but groups may engage in telegraphic meets with other schools. We defeated DePauw last year in a telegraphic track meet.

Coeds may engage in as many as three sports a season and thus the W. A. A. motto is carried out, "A sport for every girl and every girl in a sport." At present we have four girls who are wearing the "H". They are Frances Allison, Naomi Whitcomb, Geneva Risk, and Hazel Boyd. Two of these girls, Frances Allison and Hazel Boyd have received the "H" blanket which is the highest award offered by W. A. A.

GREEK LETTER SOCIETIES

Hanover is fortunate in numbering among its realm some of the foremost Greek Letter Organizations in the fraternity world.

These societies play a great share in the Extra-Curricular Life of the College Student.

Constantly Searching

FOR centuries astronomers have looked into the skies searching for new worlds, constellations and stars. Aside from their interesting research work, they have learned much that is of practical scientific value.

Similarly, in the field of student publications, the Indianapolis Engraving Company searches constantly for new ideas, plans and methods that will assist year-book staffs to publish successfully books characteristic of their school and community. The results of these efforts are gratifying.

The Annual Planning and Designing Department welcomes your inquiries for further information.
